S.M. Comes Alive In '85

Just as the Phoenix Bird rose from its own ashes, St. Mary's High School this past summer gave birth to new life.

We still have our traditions. We still have our "old ways" - those things which make us what we are. But this year. St. Mary's has taken on a new look and feeling.

Over the summer, our Ramada and courtyard were renovated. The old came down and the new went up - classical Greek columns, a flower bed, a patio. "Plaza 85" is our symbol of rebirth - a symbol we've adopted this year. To build a foundation for a new beginning only reflects our school's tradition and spirit.

New Faces, New Places

2

This year St. Mary's has been blessed with new looks and fresh ideas. The newest look of all has been the construction of "Plaza '85", donated to St. Mary's by the class of 1985. This renovated site is meant to provide all students with a place to relax and study during their lunch and break. It has become a real source of pride for the entire school community.

A number of new teachers also joined our faculty this year and quickly became a part of the St. Mary's family. The students did not hesitate to accept them into our school, making them feel right at home. Along with new faculty members, came a freshman class that numbered over 200 — one of the largest freshman classes ever!

All of the new additions at St. Mary's can only add to the great tradition that has made our school what it is today and will be tomorrow.

Seniors Layout The Welcome Mat

Freshman initiation always starts the year off with a hilarious bang, bringing out the tradition and spirit of St. Mary's. The Seniors were limited to only one day of initiation this year, but they made the best of what they had. The main goal of the Class of 86' was not to ostracize the freshman, but to make them feel like members of the St. Mary's family. The seniors had a good time making their freshman slaves carry their books or get their lunches. Freshmen had a good experience too, as they got to know their "Masters" and each other by participating in the antics. All in all, initiation built a strong foundation for begining a new school year.

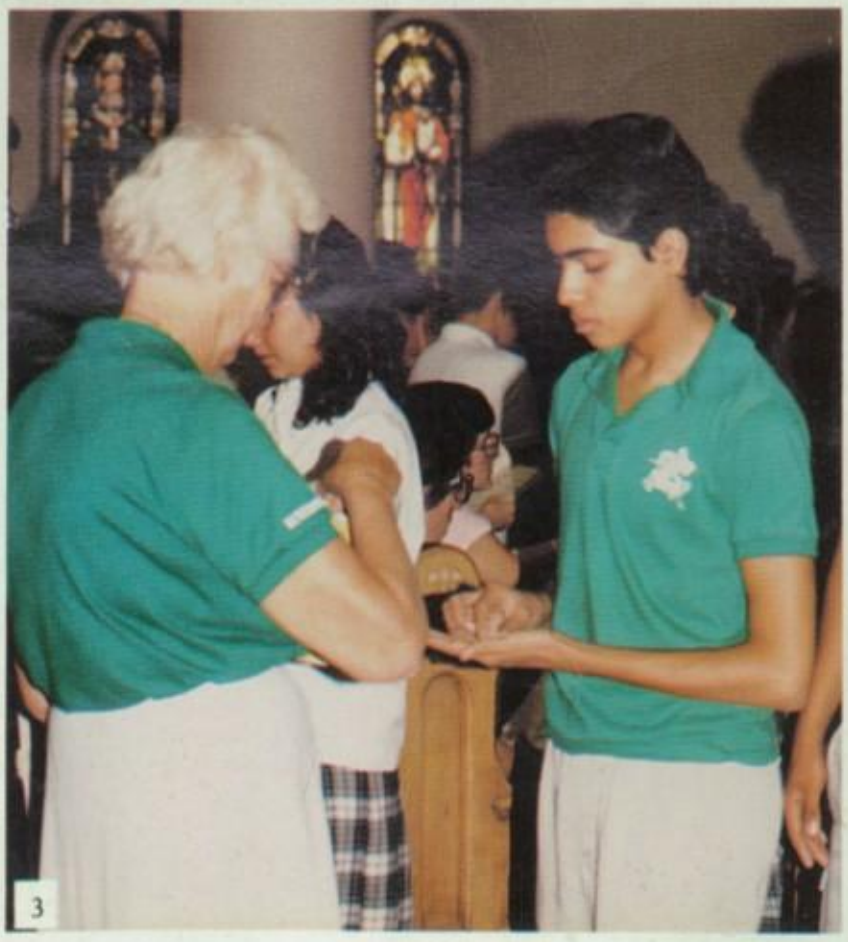
Keeping Traditions Alive

The name "St. Mary's" can only mean one thing: Tradition. As time has passed through our halls at S.M., traditions have also come and gone. The meaningful ones have however hung on throughout the years. Since St. Mary's is a Catholic High School, Mass is a very old tradition. It reminds the student body of their oneness. Spirit comes to life at the assemblies, and classes come together to cheer our school onto victory. Football has also created many traditions in it's own rite. As long as there is St. Mary's, there will always be spirit and tradition.



1. Father Alonso and Father Blaise say Mass on the Feast of Saint Francis. 2. St. Mary's students leave Mass rejuvenated. 3. Ramone Lire receives Communion from Siste Eileen. 4. Gabe Doak and Robert Leon prepare for Mass.

Old Friends With A New Spirit

Acquaintances come and go, but the strong friendships built at St. Mary's last forever. Our school is a small, intimate family, full of spirit and closeness. Freshmen become new members of our family and join in the sharing and caring.

Each year friendships are renewed among classmates, and new acquaintances are made with first year students. Unity among individual classes creates spirit and participation. Everyone works together to achieve this common goal; to bring the St. Mary's spirit to life.

Success comes from strength - both physical and mental. And St. Mary's students are encouraged to "build up" their minds along with their bodies. Granted, physical workouts help us look good. But, along with toning our physiques, comes the need to tone our minds.

When we build our minds, we build our futures. The future awaits us eagerly, and we have begun to shape it. At St. Mary's our opportunities are limitless. A strong mind, complimented by a healthy body, enables us to take full advantage of what we have.

St. Mary's means great tradition in academics as well as athletics.

1. "Poetry in motion." (Mike Cortwright). 2. Knights reaching for the sky!! 3. Keep your eye on the target, (John Cruz). 4. It's better to sit up than to sit down. 5. Don't look now, but there is a spider on your chest! (Mike Richmond, Ricki Lopez, Kevin Scott, Tim Ryan).

A Knight To Remember

Homecoming is the most important event during the fall. The meaning behind it is really what makes the evening special. St. Mary's always has a large amount of alumni at football games, but Homecoming brings old friends together for a night of reminiscing.

As usual, there was a large crowd in attendance for the game. At half-time, Wendi Gray was crowned Queen, and Michael Richmond was later crowned King during the dance.

Homecoming did not have the typical floats and convertibles to escort the candidates this year. Yet, it still had that special spirit which created an unique atmosphere for the returning alumni.

1. Homecoming Court: Jerry Campbell, Tim Ryan, Rod Medrano, Barbara Martinez, Stephanie Addison, Queen: Wendi Gray, King: Mike Richmond, Amy Marshall, Sylvia Aguilar, Carlos Rodriguez. 2. Lost In Love

Prom *is a word that has a special meaning of its own. To most, it is a night that will always live in one's memory: the most special night of the year. It is a time for looking sensational and living it up. Everyone is dressed to the hilt with somewhere incredibly special to go. For one night the world is your dance floor; every song is your song.*

The 1986 Prom, held at the Granada Royale, was appropriately given the theme "Lost In Love." The banquet room was beautifully decorated in red and white. Couples crowded the dance floor throughout the evening, while others lingered in the courtyard to have their pictures taken. Everyone seemed to be "Lost in Love." A very pretty Stephanie Addison was crowned Prom Queen, and coincidentally, her escort Shawn Murphy won the title of Prom King.

For Seniors, it was a time for endings and wonderful beginnings. But to everyone, it was a night that will endure in memories forever.

Candles And Roses: A May Tradition

The Candle Rose Ceremony has been a tradition for many years at St. Mary's. What it represents is the exchanging of class officers and an expression of thanks for their participation in the Student Council throughout the year.

The candle, which is exchanged during the ceremony, symbolizes the responsibility of the incoming officers. The rose, which is also part of the exchanging process, represents the service they have given to the school.

ORGANIZATIONS

Student Council

Student Council is the backbone for the student body. The 1985-1986 Student Council's primary goal was to promote more school spirit and bring back tradition. This was a difficult goal to achieve, but the rewards of success were many. The Student Council was fortunate to have the support of their peers, which made the year a smooth one.

— Jill Clancy

1. The Council at work. (Jill Clancy, Anthony Munoz, Bernadette Trujillo) 2. Executive Board standing: Anthony Munoz, Ms. Phifer. Sitting: Rod Medrano, David Losada, Jill Clancy, Bernadette Trujillo. 4. Rod Medrano, Vice President.

Student Senate

1

2

3

The Senate is unlike any other club at St. Mary's. Each year teachers pick twelve new members to join the existing twelve, to make up twenty-four elite members.

A Senator's duty is to hand out summons to people committing an offense against ground laws. Someone receiving a summons must appear in court; the guilty must pay a fine of $1.00.

This year's moderator was Mr. Sanford who was backed by: President Tom Apodaca, President-Eleet John Longo, and Treasurer Mike De La Cruz.

Youth For Life

The main purpose of the Youth for Life club is to promote life. The group does this in a variety of ways; for example, by picketing clinics or by showing how fun life can be through exciting activities.

The group is made up of a number of dedicated students, who are under the direction of some talented Junior officers. The moderator, Mr. Kelly, is the most dedicated of all because he inspires the rest of the group with his great spirit and creative ideas.

1. Moderators: Mr. Kelly and Mr. Kennelly. 2. Standing: Steve Williams, Gary Blevins, Derryll Harris, Dan Musselman, Carol Fiese, Mr. Kennely, Lisa Montoya. Sitting: Jaime Ferniza, Mr. Kelly. 3. 3

Key Club is a great way to engage in a satisfying program of school and community service. Social activities such as touring handicapped children around at the State Fair, ushering at the Fiesta Bowl Parade, planning and giving a Christmas party for underpriveledged kids and many other activities make it possible to enjoy yourself and make plenty of new friends.

1. *Key Club members at the State Fair.* 3. *Giving a helping hand (Veronica Zubia, Jason Rose).*

National Honor Society

Through the years the National Honor Society has continued to uphold its basic standards of scholarship, leadership, character and service. This year was no exception; it proved to be a productive and satisfying one. The active participation of our members helped the club improve its non-ending growth.

If I'm Dreaming, Don't Wake Me

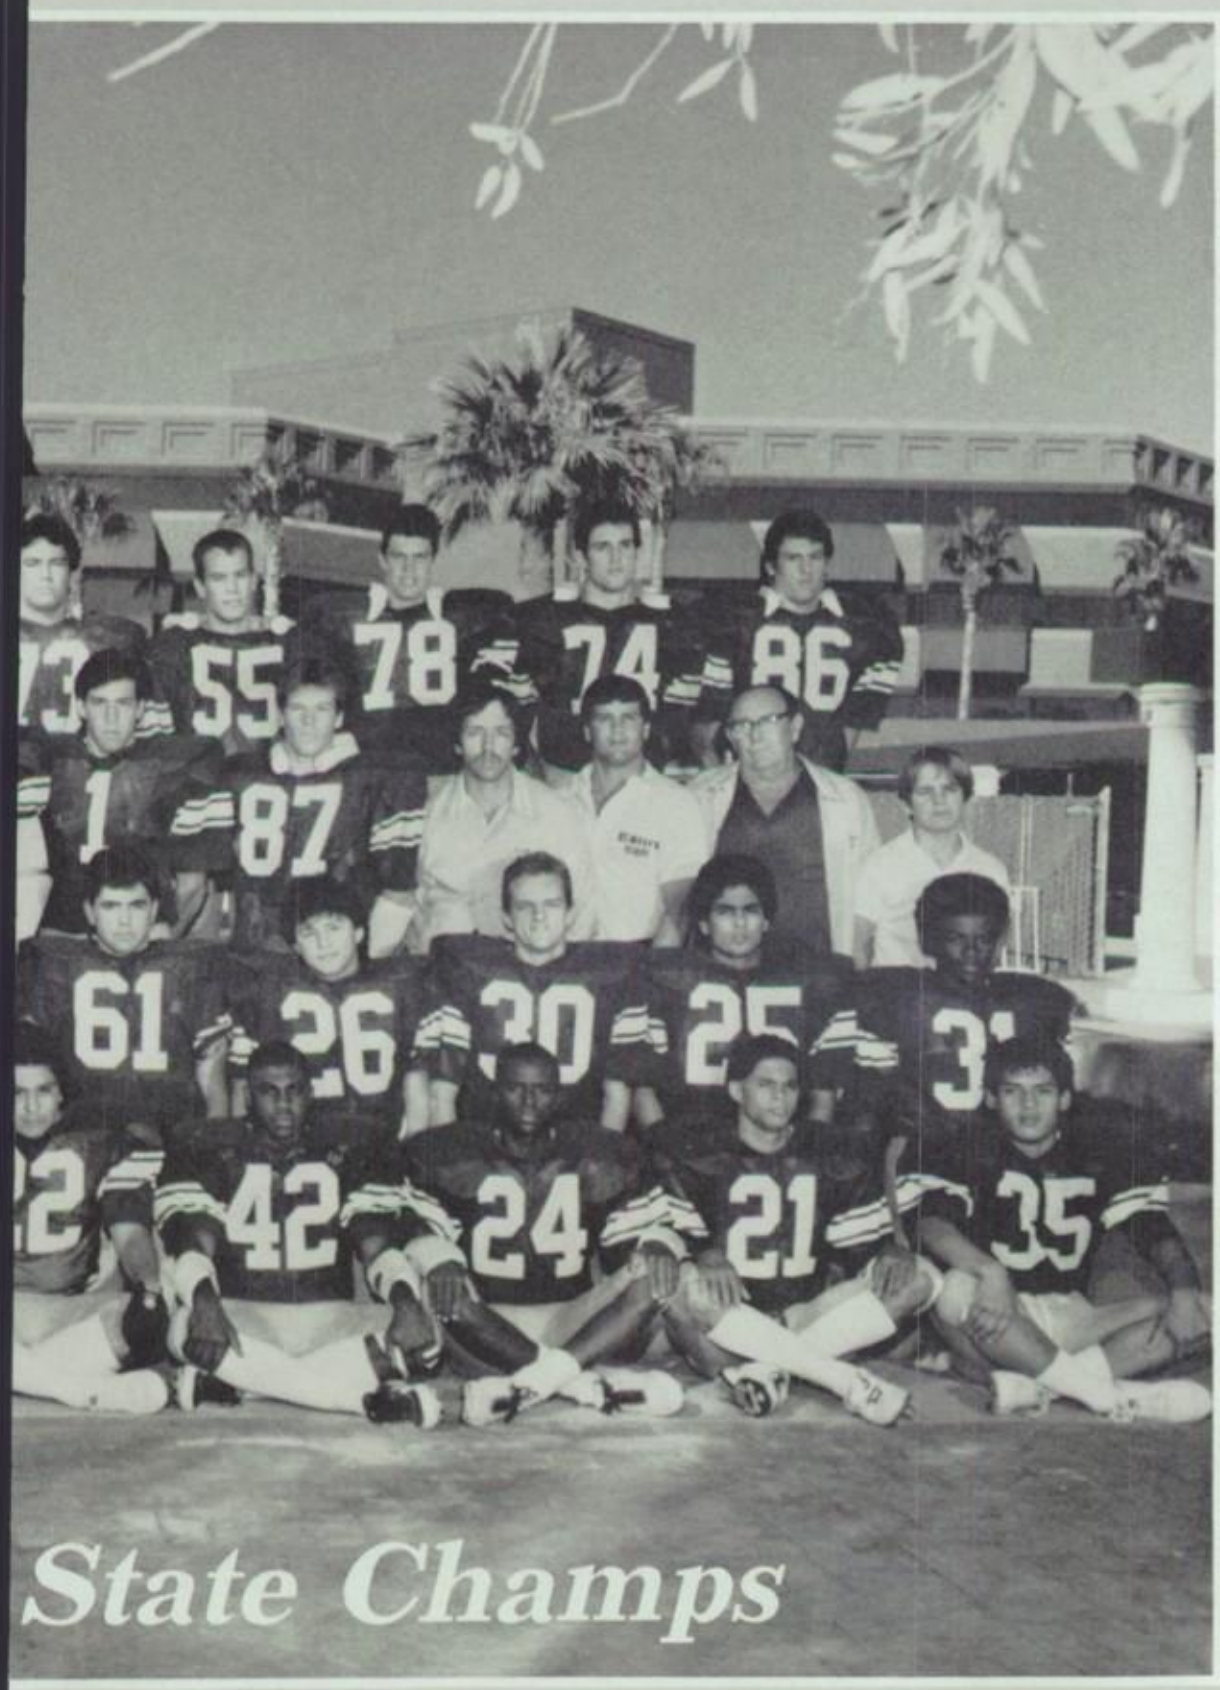
— Mike Diaz

A prominent valley prep football coach was quoted early in September as saying, "We're going to have to progress quickly to get close to the state game. That Coach Farrell, he sure is a sly one isn't he?"

Just how quickly did we progress? Quick enough to continue a 23 game winning streak, allow 7 points a game, and win a second consecutive championship. How's that for quick progress?

No one would have believed, had it even been suggested in September that we might go undefeated — much less win a second consecutive championship. That certainly wasn't our thinking in mid-July as we gathered at Monterey. Can you imagine? Mid-July at Monterey! 'Sounds exotic like there should be a beach some where.

What we did have at Monterey was a bunch of spirited, determined and dedicated athletes. Athletes who turned that spirit, determination and dedication into one of the most remarkable football seasons imaginable.



Coach Sector, Dan Musselman, John Henry Oachoa, John Kohrs, Tim Ryan, Ed Moll, Mike Cortright, Rusty Bruce, Coach Vales, Coach Welcher, Horace Pieri, Joe Dora. Row 4: Jerry Rojas, Pancho Barratta, Paul Giatan, Anthony Rojas, Shawn Murphy, Mike Daiz, Tom Apodaca, Mike Halverson, John Martinson, John Musselman, Brent Byerly.

Some said we were "overachievers" or "played over our heads". We really were the essence of the St. Mary's tradition. We were destined to become champions. We knew in our hearts we were winners when many around us had their doubts.

It's been a long season — almost half a year. I'll miss Monterey without a beach, the daily search for a park to practice, the trip and-a-half to our home field, the old rickety new bus, secret pals, gold pants and state championships.

Thanks for the memories. If I'm dreaming, please don't ever wake me.

The 1985 J.V. Football Team finished the season with a respectful 5-2-1 record.

The season started out on an uphill swing with 3 consecutive victories over Shadow Mountain, Camelback, and rival Brophy. The next game against Horizon ended in a 6-6 tie. The remainder of the season was similar to a roller coaster ride as the young Knights defeated Apollo, then losing their first game to a powerful Deer Valley team.

The team quickly regrouped and defeated Greenway only to finish out the season with a loss to Moon Valley in a make up game.

Outstanding J.V. players voted by their teammates were: Sylvester Mabry, M.V.P.; Jerry Rojas, Best Lineman; Tony Chirumbolo, Most Improved and Doug Stevens, Most Dedicated.

The St. Mary's Freshman Football Team again went 9-0, making the winning streak to 56.

Their first game was against Shadow Mountain whom they beat 33-6. The next game was a battle against rival Brophy Prep. With an interception and three touch downs by Seth Carr they slid by and won 21-14. The following week they won 23-14 against Moon Valley. It proved to ba a tough contest, but in the second half they came through.

By the next week they were ready to play ball; they beat Horizon 32-0, Apollo 53-0, and Deer Valley 26-0. Thunderbird was the last and probably the toughest game. They managed to hold them off in the fourth quarter, winning 37-30. Overall the season was great, and the team kept the winning tradition of St. Mary's. Their point average was 30.0 and point allowed was only 9.4 t.d. a game.

This year's Freshman Basketball team was full of spirit, discipline and many triumphs. They ended their successful season with a hard earned 13-3. Major victories came over: Horizon, Greenway, Moon Valley, and rival Brophy Prep (43-38).

The team could not have been as successful as it was without the coaching expertise of Coach Denogean. Congratulations coach "D" and good luck in the near-coaching future.

This year's Varsity team was the youngest within the past 3 years'. The squad was composed mainly of Juniors and Sophomores. Leading the team were Captains Lorrie Hernandez and Jeanine Lavin. Although the team did not win many games, their success was measured by their determination and hustle. The highlight of the season was a victory in play against Central High School. Coach Denogean praised his players for their hard work and determination. With the whole squad returning next year and with alot of hard work during the off season, the Lady Knights should have more success in the future.

This year was a good one for the Junior Varsity Basketball team. The season was not as victorious as the team would have wanted, but the victories that were gained meant just as much as an undefeated record. The players grew as a team, as individuals, and received some valuable experiences which will be helpful for their future participation in sports. Most importantly, they gave their all and continued with the "never look down," spirit of St. Mary's.

Varsity Volleyball

The 1985 Volleyball team did not have a successful season in the win and loss column. The season ended with the team winning one match; they defeated North High in an invitational tournament. Even though the team continuously lost, they remained close and competitive. Senior players have gone through four losing seasons in Volleyball alone, and to continue to compete year after year is a victory in itself. When looking at the 1985 season, individual performance should be acknowledged and not the overall record of the team.

J.V. Volleyball

Although the 1985 J.V. Volleyball team did not lead the league, it was number one in spirit and sportsmanship. The team was very close and worked well together.

The season ended with one victory and many memories for the players. They were provided with numerous experiences, which will be helpful in preparing them for Varsity competition.

The J.V. team was coached by St. Mary's graduate Carol Villaverde and assisted by Coach Zenauskas. The team was very young, consisting mainly of Sophomores and Juniors.

Hopefully, their spirit and determination will carry on through next year and produce a successful volleyball season.

Tennis

This year's tennis team worked very hard at their games, and at the same time really had fun showing off what good sportsmanship and spirit are all about.

Coach Johansen put a good deal of his time and energy into the team and demonstrated alot of patience, especially with new members. He made them realize it is not who wins or loses, but it is what you put into the game.

This year's tennis team consisted of three seniors, five juniors, and two freshmen. A special thanks to Coach Johansen for all his effort, encouragement, and help.

The St. Mary's soccer team, in only its second year of existence, showed signs of what St. Mary's athletics is all about. The Knights, under Coach Dick Rochford and assistant, Ruben Silva, had their best season ever. They ended the season on a winning note by beating Washington 3-0.

The team showed that St. Mary's can win in soccer as they opened their season with a 5-3 overtime victory over Carl Hayden. This year's team was led by senior captains Gabe Doak, Mike Cortwright and Dan Hernandez. The Knights also had strong play from Manuel Cota, P.J. Celaya, Jesse Flores, and Jason Rose.

5. Bottom Row: *Steve Beltram, Bill O'Brien, Richard VanGlise, Steven Berry, Shane Gearty.* Top Row: *Coach Why, Mark Strickling, Robert Bartylla, Steve Hansen, Bobby Brown, Mike Riha.*

The St. Mary's Golf team which was reactivated this year was a young, but dedicated team. The team was comprised of Senior Capt. Steve Berry, Sophomores: Bill O'Brien and Pat Dewell, Freshman: Richard Van Gilse, Steve Beltran, Steve Hansen, Mike Riha, Bobby Brown, Mark Strickling, and Shane Gearty.

The team coached by Bill Yearnd had a fair season for a first year team and bettered itself greatly in the divisionals by finishing 9th.

The 1986 Varsity Baseball Team's armor shined early in the season by winning their first four games. Leading the Knights to the victories were seniors Mike Diaz, Gabe Doak, and Drew Pieri. With the team only producing three seniors, Coach Ahern had to start a young and somewhat inexperienced ball club. The inexperience may have hit the Knights early in league play when the victory smiles became losing frowns. With too many losses and not enough victories, the Knights fell a little short of some of their goals. When Coach Ahern and Coach Clayton return next year with an older and much more powerful lineup they hope to fulfill all of their goals. The two coaches, the fans, as well as the players feel that the '87 campaign is the year for being "State Championship Bound." If all nine starters can return healthy next year, and a few J.V. players get right into the program, they should be able to reach their fame game.

J.V. Baseball

1985's J.V. baseball team is one to be remembered at St. Mary's for a long time to come. Since the opening day, they progressed to become a sure power house in the J.V. ranks.

Coach Gregory coached with all of his heart and more, sacrificing Saturday mornings so he could practice his team.

During the week you were sure to see the team out practicing hard to better themselves. At the end of the season all those long hard practices paid off and turned into a very successful season.

From the very opening of the season there had been a lack of experience, but there was a good deal of personal improvement at the end of each game.

Some great pitching was executed by Alex Caleron and Mark Delgado. All the other players also helped the team achieve their goals from the beginning to the end.

Coach Kennelly was a fine coach and a very patient one too; he is sure to have bettered the team for later years. St. Mary's freshman baseball team will surely bring success to the baseball program.

The 1985-86 Varsity Softball season proved to be a building year. The team consisted of a new coach in the girl's program and many new players. Coach Zenauskas brought a sturdy hand into the softball program and tried to turn things around.

A different feeling was shown amongst the players and a new attitude began to develop. Coach Z taught the players not to accept defeat, but to thrive on victory. Next year should mean more victories with five freshman and many upper-classmen returning.

The JV Cheerline had a great year. They cheered for Coach D's football team and attended every basketball game to urge the players to victory. They went to Santa Barbara, California for a summer cheer camp, and learned quite a bit about the sport. Their enthusiasm led them to a cheer clinic at the UofA, where they learned even more cheer secrets. Now with the season over, the girls gathered all their spirit together for tryouts, hoping their zest will put them up to Varsity.

Coach Of The Year

Throughout the years there has been a history of great coaches at St. Mary's. Ed Dougherty, a legend at St. Mary's, coached during the late 60's and early 70's. There was Pat Lavin who coached during the mid 70's. Now there is a man who will definitely go down in history as one of the great coaches of St. Mary's. His name is Pat Farrell, 1985 Coach of the Year.

Coach Farrell knows year in and year out that his teams will not be the most talented or the strongest, and definitely not the biggest. Yet, he refuses to let it discourage him. The 1985 State Championship Team is the perfect example.

Coach Farrell knew that the group of young men he had was probably the smallest and least talented team ever at St. Mary's. He knew that to repeat as State Champions would require his greatest effort in preparing his team for every game; and that is just what he did.

He spent long hours, day after day and night after night, working on a way to prepare his team. He watched films constantly, seeking any possible edge to gain. Many times this caused him to take cat naps on his break during the school day to keep himself going.

Why would any man take himself through such great extremes? That is just the kind of man Coach Farrell is. He has such great love for the game, his team, and above all his school, that he is willing to make many personal sacrifices.

He demands the most from himself and expects nothing but the best from his fellow coaches and his team. Year in and year out he gets it.

Coach Farrell has often said that the day he loses that feeling of winning the State Championship is the day he retires. It looks like Coach Farrell will be around for a long time. No matter what may happen in the future, this man with the shabby mustache, the beat up shoes, and the out-of-style leather jacket, will always be our COACH OF THE YEAR.

APS

ARIZONA PEOPLE SERVING YOU

"Education . . .
the seeing of things
in the making."

A little over 100 years ago, Edison invented the incandescent electric light, heralding a century of scientific and technological progress. In Arizona, Arizona Public Service Company's first predecessor was granted a franchise to operate electric service in Phoenix in 1886. As APS celebrates its 100th year of service, the company is proud of the state and looks forward to serving Arizonans with dependable, affordable electricity during the next 100 years.
